1. ICT POLICY SENSITISATION

The ICT policy for the ACB was launched in March this year in Mangochi. The sensitization of the policy was done on regional level during the month of July. For example, Lilongwe had their sensitization on 17th July, 2019. All officers were supposed to sign to the adherence of the policy.

2. INTERNATIONAL TRAININGS FOR ACB STAFF

Capacity building is one crucial element in improving performance at the Bureau. The following members got trained in the month.

- A. Ezlon Kasoka and Gift Mhone were in Gaborone, Botswana for corruption risk assessment course. Which centered on risk management in the public sector and governance.
- B. Mrs. Agnes Mweta attended one week training in public service innovation which focused on calls for leaders to spearhead innovation and create an atmosphere which promotes new ideas, creativity bring in effectiveness and excitement.
